Aprons

Farrier and horseshoeing aprons listed here are all high quality. Leather farrier aprons are the longest lasting and heavy duty for both horseshoer and blacksmith. There are several aprons made of lighter material (Cordura and Denim Cotton). The lighter weight farrier aprons have leather padding on the legs to protect against burns and nails.

Apron blu/blk stitch 33" to 38" waist	TBCA2	158.00 for 1+	
Apron blk/orange stitch 33" to 38" waist	TBCA5	158.00 for 1+

Shoe Spreaders

Shoe Spreaders are designed to spread horseshoes a slight amount prior to applying to the horses hoof. Some shoes can be fitted to the hoof in this manner without the use of an anvil. Shoes should never be spread when nailed to the hoof.
